Am I required to be physically present during the lottery?

You are not required to be physically present to be awarded a seat. Priority is not given to lottery attendees.

FREQUENTLY ASKED QUESTIONS

» What is a local lottery?

When the number of student applications exceed available classroom seats, a local lottery is required. Student names (or numbers assigned to names) will be drawn for each available seat.

» Will my student's priority status be taken into consideration during the lottery?

Yes. However, consideration does not guarantee a seat.

» When are the results announced?

The results will be posted at the respective campus locations. Families may view the lottery results at their campus' designated, public access location. All applicants will be contacted via email within one week following the lottery. Please contact your campus directly for more information.

» How long do I have to respond to an offer of admission?

If a parent fails to respond within 48 hours of receiving their telephone call, or e-mail offer, they will forfeit the seat that has been awarded.

» What happens to the remaining applications?

The remaining applicants are placed on a waiting list in the order in which they were drawn. An email will be sent to families regarding their status on the waiting list within 48 hours of the lottery.

» What if I have more than one child applying, but only one is selected?

The applicant not selected will remain on the waiting list until a seat becomes available.
