1. Capping the total Credited Years of Service ("CYOS") at 20, each teacher will earn CYOS as follows: (a.) up to 5 years for every complete year (i.e., 9 months) of verified full-time teaching experience outside of ResponsiveEd (public or private, as reflected on each teacher's service records), and (b.) 1 year for every complete year (i.e., 9 months) of verified full-time teaching experience with ResponsiveEd.

2. The 2021-22 ResponsiveEd Base Salary Scale is 90% of the applicable 2021-22 ISD Cluster Base Salary Scale.

3. Stipend pay represents remuneration in addition to, but separate from, regular base salary, and may include assignment stipends, educational stipends, and coaching stipends. The actual amount that may be earned for the 2021-22 ResponsiveEd Extra-Duty Stipend is based a campus-specific 2021-22 Extra-Duty Stipend Schedule. Eligibility for the 2021-22 Extra-Duty Stipend is determined by each campus's leadership team.

4. ResponsiveEd participates in the Teacher Incentive Allotment ("TIA"). As such, the TIA portion of the ResponsiveEd Incentive is earned by those who have a current TIA designation of "Recognized," "Exemplary," or "Master." The exact amount for each TIA designation by campus will be determined by the State of Texas on or about April 2022. Any teacher who does not have a current TIA designation may earn \$500-\$2,000 if: (a.) he/she earns a designation of "Proficient" on the 2021-22 Texas Teacher Evaluation and Support System ("T-TESS") assessment, and (b.) the campus budget has sufficient funds to pay for the incentive.
