

Responsive Education Solutions

College, Career and Military Readiness Plan

MISSION

It is the mission of the Responsive Education Solutions CCMR Department to equip students with the skills and experiences necessary to develop and pursue personal post-secondary goals.

VISION

We envision a school system that provides individualized instruction and experiences in college and career readiness. The Responsive Education Solutions CCMR team supports each individual student and frequently ensures that student goals are thoughtfully created and met.

VALUES

- Perseverance
- Adaptability
- Exploration
- Resilience
- Goal Setting

GOALS

- Continue building college and industry partnerships across the state.
- Provide opportunities for students to experience real world application of skills through internships and practicums.
- Develop and maintain systematic procedures to track student post-secondary application processes.
- Strive to match student interests and postsecondary goals with student practicum and internship opportunities.
- Provide support for students who struggle to set postsecondary goals.

Our schools provide the following opportunities and services for students as they are exploring their college and career possibilities during high school.
