1. Capping the total Credited Years of Service ("CYOS") at 20, each teacher will earn CYOS as follows: (a.) up to 5 years for every complete year (i.e., 9 months) of verified full-time teaching experience outside of ResponsiveEd (public or private, as reflected on each teacher's service records), and (b.) 1 year for every complete year (i.e., 9 months) of verified full-time teaching experience with ResponsiveEd.

2. Stipend pay represents remuneration in addition to, but separate from, regular base salary, and may include assignment stipends, educational stipends, and coaching stipends. Eligibility for the 2023-24 Extra-Duty Stipend is determined by each campus's leadership team.

3. ResponsiveEd participates in the Teacher Incentive Allotment ("TIA"). As such, the TIA incentive is earned by those who have a *current* TIA designation of "Recognized," "Exemplary," or "Master." The exact incentive amount for each TIA designation by campus will be determined by the State of Texas on or about April 2024.
