1. Capping the total Credited Years of Service ("CYOS") at 20, each teacher will earn CYOS as follows: (a.) up to 5 years for every complete year (i.e., 9 months) of verified full-time teaching experience outside of ResponsiveEd (public or private, as reflected on each teacher's service records), and (b.) 1 year for every complete year (i.e., 9 months) of verified full-time teaching experience with ResponsiveEd.

2. Stipend pay represents remuneration in addition to, but separate from, regular base salary, and may include assignment stipends, educational stipends, and coaching stipends. Eligibility for Extra-Duty Stipends is determined by each campus's leadership team.

3. ResponsiveEd Texas participates in the Teacher Incentive Allotment (TIA) program established by the State of Texas. TIA incentives are available to teachers who achieve the designations of "Recognized," "Exemplary," or "Master," based on rigorous criteria reflecting their instructional excellence and student performance outcomes. The exact incentive amount corresponding to each designation is determined by the State of Texas and is typically announced in May each year.
