Private Security Proposal
RFP Questions & Answers
April 28, 2025

The following questions were received regarding the “Request for Proposal - Private Security Proposal”:

- How many weekly hours are being requested?
- How many school sites require coverage?
- The award of contract section on page 3 mentions that it is RESTX's intent to award a single contract. To clarify, does this mean a single vendor will be awarded or is a multi-award possible?
- If a multi-award occurs, how will work be distributed?
- How many weekly hours have been used in the past for these services?
- How much has been spent annually in the past for these services?
- How much is the anticipated budget for security services this year?
- Who is currently providing security services?
- How much is this incumbent charging hourly for these services?

Our response to the above questions were as follows:

- We do anticipate the selection of a single vendor for these services. The remainder of your questions are contained within the RFP with the exception of our budget projections and information about other vendors. Since this is a competitive bidding process, to be fair to everyone, we are not sharing information about budget or other potential or current vendors.
